

GOLFER REGISTRATION

Thanks to the support of our sponsors and golfers and thanks to the generosity of Granite Ridge Golf Club, the annual "Deck" Golf Tournament has become a very important source of funds for the caring work of "The Deck" with youth. This tournament is a wonderful event and it supports a great cause. I enthusiastically encourage you to partner with us as a sponsor and/or golfer and to encourage others to do so as well.

In 2003, a group of people came together with a dream. The dream was to have a youth centre for youth in Milton. Now it's 2008 and after two years of planning and three years of operation we are seeing the dream come true. However there are still many lives to impact.

Since we opened our doors in 2005 we have worked hard with about 1,200 different students at "The Deck". We also work with students at the local high schools and at W.I. Dick Middle School. We now have about 15,000 total contacts and currently have former students return to "The Deck" to thank us for the impact that we've had on their lives. The Deck is located in Milton but we are having students from Brampton, Mississauga, Acton, Georgetown and Campbellville, Waterdown, Burlington and Oakville. The reason for this is that we have a volunteer team second to none. The Deck is the hidden gem in Milton and we need people like you to get involved and take our work to the community people you impact.

Sincerely, Oliver Clarke
